

# CERI TRAMMELL

## FULL-STACK WEB DEVELOPER

### SUMMARY

Hi! I am a Full-Stack Web developer with a passion for crafting aesthetically pleasing user interfaces. Previous management history has attested that I am proficient working alone, with a team, and am comfortable taking lead in any situation. As well as being capable of leading a team, I'm also a "go with the flow" kind of person and take direction very well.

### EXPERIENCE
